

LIGHT HAUS LIVING

A Place for what matters.

YOUR HOME ORGANIZING CATEGORY GUIDE

Simple categories. Clear homes for your belongings. Less searching.

**LIGHT HAUS
LIVING**

START SMALL. BUILD FROM THERE.

Choose one drawer, shelf or small category. Group similar items, decide what to keep, and give them a home near where you use them. Use containers you already own; label them if helpful.

Kitchen & food

Everyday dishes & cutlery
Cookware & cooking tools
Pantry food & spices
Drinks, bottles & lunch gear

* Store medicines, chemicals and batteries safely, following their labels and keeping them out of children's reach. These categories do not need to share one container.

MAKE THE SYSTEM FIT YOUR LIFE.

Use broad categories first. Split them only when it makes things easier to find. Keep favourites accessible, let available space guide how much you keep, and add categories that suit your household.

Guiding you out of clutter and into clarity.™

www.lighthausliving.com

A little clarity, one area at a time.
